The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains three pages.

This certification is conditioned upon the following:

### Game Description:

The “Dartz” game is a coin drop game with a bonus and jackpot feature. The object of the game is for the player to insert a token(s) or coin(s) into a single roll-down acceptor and aim for one of the ten columns of balloons. The ten columns of balloons scroll in a continuous loop from left to right across the video monitor screen. When a token or coin is inserted in the slot, a dart appears on the video monitor screen and moves up the screen toward one of the balloons. The ten columns of balloons is located on a video monitor which makes up the play field. The game plays continuously with the insertion of token(s) or coin(s) and dispenses tickets simultaneously as the game is played.

### Conditions:

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately upon a win.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.
- 5.) Software and Hardware information:
